Dear Friends,

Our Cabaña offers extraordinary international events and programs for girls and young women which in turn empowers these girls and young women to change the world.

This year’s World Thinking Day theme was built on ‘Impact’, and invited girls to leave a positive mark on their neighborhood. Sofia Elwe, an Our Cabaña volunteer from Sweden, shared “at Our Cabaña, I have experienced a different perspective of this special day when you come to a World Centre, you can explore many cultures, and of course, World Thinking Day was no exception. I had the opportunity to lead one activity that let participants know the meaning of impact and everything any of us can make to bring change!”

This past year Girl Guides and Girl Scouts from more than 20 countries participated in programs at Our Cabaña. Every group that visits Our Cabaña is involved in service projects that support the local community. Making connections with women and girls with different life experiences empowers Girl Guides and Girl Scouts to have an impact in their local communities and, thereby, change their world.

It is important to note that events in Mexico have not affected the safety and security of Our Cabaña or any of our visitors in any way. Your personal gift in support of Our Cabaña will help to continue to offer scholarships, travel grants and new programs designed to help participants grow and change the world. This year volunteers and interns from Argentina, Canada, Costa Rica, Hong Kong, México, Paraguay, Sweden, Tanzania, UK, USA, and Venezuela joined the team and experienced Our Cabaña! Participant scholarships were provided for the Summer Friendship Event and New Year’s Event to groups from six countries. The craft house damaged by the earthquake has been beautifully renovated. The pool received much needed repairs and renovation.

The girls and young women whose lives you will touch by your generous financial support of Our Cabaña through the World Foundation for Girl Guides and Girl Scouts join us in saying “Gracias! Thank you!”

Yours in Girl Guiding and Girl Scouting,

Ann Killeen, President
