OUR MISSION

The World Foundation’s mission is to support projects and programs undertaken by the World Association of Girl Guides and Girl Scouts, including Girl Scouts of the USA, “to enable girls and young women to develop their fullest potential as responsible citizens of the world”.

Our Chalet Helen Storrow Seminar March 2019
WHO WE ARE

The World Foundation for Girl Guides and Girl Scouts, Inc. is an independent, not-for-profit organization established in 1971 and granted 501(c)(3) status by the U.S. Internal Revenue Service. The two Members of the World Foundation are the World Association of Girl Guides and Girl Scouts (WAGGGS) and the Girl Scouts of the USA (GSUSA). The Board of Directors, consisting of thirteen members, meets at least two times each year. In seeking gifts, the Foundation has established fundraising committees known as Friends Committees that also promote the WAGGGS world centers and the work of the World Association of Girl Guides and Girl Scouts. The Friends Committees are: Friends of Our Cabaña USA (Mexico), Friends of Our Chalet USA (Switzerland), Friends of Pax Lodge USA (England), Friends of Sangam USA (India) and Friends of WAGGGS USA.

The World Foundation's purpose is "to promote in all lawful ways for charitable and educational purposes, the success of the World Association of Girl Guides and Girl Scouts and of Girl Guiding and Girl Scouting in any and all countries of the world".

DONATIONS RECEIVED

In this fiscal year, 1,326 gifts totaling $552,305 were donated to the World Foundation to support the global mission of WAGGGS and GSUSA. These monies were largely the result of the efforts of our hardworking Friends who serve on one of five Friends committees.

MONIES GRANTED

In fiscal year 2018 – 2019, grants totally $245,319 were allocated to WAGGGS and GSUSA to support the following:

INTERNATIONAL TRAVEL

The World Foundation for Girl Guides and Girl Scouts remains committed to opening a world of opportunities for girls and young women by providing scholarship and travel grants for participants and volunteers to experience our World Centers.

RESTRUCTURE

A comprehensive upgrade of WAGGGS operational volunteer support systems and procedures.
GLOBAL LEARNING

The Juliette Lowe Seminar, partially funded by the World Foundation, took place in November 2019 at all World Centers and other hubs worldwide. (Facilitator training at Kusafiri was funded as well). Girls worldwide participated at hubs to learn about Sustainable Development Goals and explore gender barriers to leadership, working together to identify how they can lead for change. These girls in turn trained girls when they returned home, thus taking the lead in their lives and communities. Funds granted allowed girls to travel to an international conference, either at one of our World Centers or at other locations around the world, for a week.

In addition, the World Foundation granted funds towards:

- Stop the Violence Campaign
- New Countries Balkans Campaign
- Vibrant Countries Campaign

**This annual report details the projects and programs whose support was made possible by donations to the World Foundation. The world for girls and young women of today is ever evolving with emphasis on what leadership skills they will need to be successful in their life endeavors. For almost 50 years the World Foundation has partnered with the World Association of Girl Guides and Girl Scouts, and with Girl Scouts of the USA to support our common dedication in providing opportunities to position young women for their future. The World Foundation’s ongoing and continued support will assist them in becoming responsible and contributing citizens in their communities. Barbara Grant Schliebe, President**
