Dear Friends,

Our Cabaña offers extraordinary international events and programs for girls and young women which in turn empowers these girls and young women to change the world. This year, with the challenges of Covid-19, supporting Our Cabaña is as important as it ever has been.

This past year Girl Guides and Girl Scouts from more than 20 countries participated in programs at Our Cabaña. Every group that visits Our Cabaña is involved in service projects that support the local community. Making connections with women and girls with different life experiences empowers Girl Guides and Girl Scouts to have an impact in their local communities and, thereby, change their world. This year’s World Thinking Day theme was built on ‘Leadership’, and encouraged girls to be leaders, create the change they want to see in the world, and celebrate being part of the global sisterhood that is Girl Scouts and Girl Guides!

In the past year 11 volunteers and 3 interns received travel grants. Also 5 international participants received travel grants and/or scholarships covering 4 WAGGGS’ Regions and 5 countries. Additionally, 14 Mexican and 48 international scholarships were awarded for future events.
